

# #WeAreImpington

## Cambridgeshire's top provider of the IB

# Welcome to Impington International College

At Impington International College, you enjoy a unique educational experience with many students from the local area, other parts of the UK and around the world. We are proud to deliver an education that can be tailored to your passions, in an environment where your aspirations can be accomplished.

Our academically driven cohort achieve outstanding results and our alumni have gone on to attend the most renowned higher education institutions around the world, including: University of Cambridge, University of Oxford, London School of Economics and Political Science, University College London, King's College London, Loughborough University, UCFB, Leiden University, UCLA, The International College of Musical Theatre, Italia Conti and Smith College, USA, as well as prestigious higher-level apprenticeships.

Our small class sizes mean that you have considerable contact time with your teachers, so that all your individual needs are met, and our close-knit environment allows you to flourish, both academically and socially.

We are proud to have offered a world class education to our students for over 30 years through the International Baccalaureate (IB). In fact, we were one of the first state schools to do so, and have consecutively been voted as the top non-selective UK provider of the IB programmes by the Sunday Times Parent Power list.

Studying an IB programme, you will gain a valuable breadth of skills and the depth of knowledge required to achieve excellence in whichever path you choose.

Alongside your studies, you can enjoy taking part in over 40 different extra-curricular activities, ranging from baking to fencing to learning Japanese. There is something for everyone at Impington International College.

We look forward to showing you around our Sixth Form and discussing how our programmes can be personalised to suit your ambitions.

**Bronwyn Wilson**  
Head of Sixth Form - DP

**Leanne Gibbons**  
Head of Sixth Form - CP

# Your Ticket to a World-Class Education

We are proud to offer our students a range of stimulating study programmes that focus on the development of the whole student, alongside a wide range of extra-curricular activities and pastoral care.

## We offer:

- IB Diploma Programme (DP)
- IB Career-related Programme (CP)
  - The Performance School
  - Sports Scholarships
  - Health and Social Care Futures

All our study options are underpinned by the IB learner profile, which promotes a broad range of human attributes that go beyond academic success. Through our teaching, we engage students to follow the IB's key principles, helping you to become the best learner that you can be, and preparing you for a world beyond the classroom.

At Impington International College, we help students to become:

- Inquirers
- Knowledgeable
- Thinkers
- Communicators
- Principled
- Open-minded
- Caring
- Risk-takers
- Balanced
- Reflective

## Entry requirements

### The DP:

at least seven GCSEs with an average of Grade 6, including English Language and Mathematics, or a total of at least 28 points with a Grade 3 or higher in each IB Middle Years Programme (MYP) eAssessment. For subjects you wish to take at higher level you will need ideally at least a Grade 7.

### The CP:

at least five subjects at GCSE Grade 5 or higher, ideally including at least 4 in Mathematics and English Language and preferably a Grade 5 in your area of specialism or a total of at least 28 points with a Grade 3 or higher in each Middle Years Programme (MYP) eAssessment.

## Admissions

If you live in the Cambridge area, you can apply to Impington International College through your school using MyChoice@16.

If you are from outside of the Cambridge area, please complete the application form which can be found on the admissions page on our website.

## Host families for students

If you live too far away from our Sixth Form to stay at home, don't think you can't apply! We are lucky to have a network of host families in the local area who you will stay with and who will provide you with support, care and guidance throughout your time spent at the Sixth Form. If you need a host family, you are encouraged to apply to us as soon as possible.

Scan the QR code to find out more about the admissions process.

# Diploma Programme

We are proud that our DP students achieve grades that consistently exceed the International Baccalaureate rolling global statistics. This ensures that around 45% of our cohorts, year on year, win places at Russel Group university, and allows for high success in applications to the University of Cambridge and Oxford.

The DP develops excellent depth and breadth of knowledge and is highly regarded by leading universities around the world. By studying six different subjects, the programme offers great flexibility while you maintain vital skills such as languages and mathematics. You will be able to tailor the programme to your own strengths and interests, choosing three subjects at higher level and three at standard level from the following groups:

<b>Studies in Language and Literature</b>	<b>Mathematics</b>	<b>Sciences</b>
<b>The Arts</b>	<b>Language Acquisition</b>	<b>Individuals and Societies</b>

The DP core brings together all elements of the programme and enables you to develop valuable skills needed to succeed at university, such as independence, research and enquiry. Research has also shown that students who complete the DP instead of A Levels are: more likely to go to a top 20 ranked university; more likely to obtain a first class degree; and will earn more as a graduate.

Our College offers over 30 different subjects to choose from. Scan the QR code to find out more.

# Career-related Programme

We inspire the next generation of West End performers, professional sports players and health, social and support workers, through the CP, which provides academic study with practical, hands-on experience.

Our CP students consistently achieve excellent pass rates, far exceeding the rolling national and international statistics, with many of our students gaining the equivalent of four A Levels or more.

The CP is an integrated package, where you will study: a minimum of two DP academic subjects alongside a career-related study and the CP Core.

## The Performance School:

If you are looking to enter the professional world of theatre or performing arts, our Performance School will provide you with a rigorous training programme that will stimulate your creativity, refine your practice and broaden your performance attributes.

## The Sports Scholarships:

From football and rugby to netball and handball, our sport scholars benefit from specialist teaching by elite coaches and players, weekly matches and training.

## Health and Social Care Futures:

If you are passionate about working with children and people then our Health and Social Care Futures programme provides you with the skills and knowledge to be applied to real-life settings, for example in early years education or residential care.

We work with a number of companies and institutions including Trinity Laban, 4th Dimension Dance, ProDirect Academy Football, championship and national league rugby clubs, Addenbrookes and Royal Papworth Hospital to ensure our students are given practical experience and develop professional relationships within industry. These connections will allow you to foster an understanding of each industry and how career progression works within them.

Scan the QR code to find out more about our three CP pathways.

Scan the QR code to find out more about the unmissable opportunities to train with specialist coaches.

# Subject Options

- All students study **ONE Career-Related study**
- Students will need to select **TWO subjects at Higher Level from the four blocks available**

# Our IIC Scholarships

Our sports scholarships are all designed to give students an elite sports performance programme as part of our International Baccalaureate Career-related Programme and our International Baccalaureate Diploma Programme. This builds holistic approach to the education of our students and to create wider opportunities for their futures.

Our programmes give students the opportunity to train six hours a week (Monday, Tuesday and Friday), attend and play in weekly matches and national competitions, receive specialist coaching from elite coaches and use of the College gym throughout the day. Both of our scholarships are aimed at male and female students, and at those on the IBDP or the IBCP pathways.

We are proud to run our football scholarship as the flagship college of ProDirect Academy, Cambridge. Students will gain from high calibre coaching from UEFA qualified staff, match analysis and evaluation using VEO technology and access to sports' science, strength and conditioning sessions. Alongside this our students are given the opportunity to have unique experiences within the professional football industry, and support in progressions; exploring career pathways both inside and outside of sport.

Through our Rugby Scholarship, in collaboration with professional clubs, you will benefit from specialist coaching, match analysis and access to sports' science, strength and conditioning and physiotherapy sessions. Our scholars have the added benefit of connection to a range of clubs, to ensure they have opportunities to grow their professional play alongside exploring career pathways both within and outside of the rugby industry.

# Student life at Impington International College

Our College is just a 15-minute bus journey to the centre of Cambridge and our students love the freedom and green space they enjoy when they join our Sixth Form.

Our students reap the benefits of the co-located Impington Sports Centre, which offers gym and swimming facilities and there are also local tennis, netball, football, and other clubs too.

For students who want a change of scenery during their free periods, we have teamed up with local independent cafes, Stir, The Station House and d:licious coffee and sandwich bar, which offer exclusive discounts to students who show their ID badges.

## Extra-curricular opportunities

We offer a range of extra-curricular opportunities for every student, from visits abroad, to the Duke of Edinburgh Award or World Challenge. Creativity, activity and service is an important part of the DP and service learning is a core component of the CP. All students will therefore be involved in our iCAS programme on Wednesday afternoons, offering you an extraordinary range of activities to participate in, including: yoga, debating, rowing or baking!

Our commitment to Service Learning is something we are incredibly proud of. This fosters a community minded approach to learning – whether that be in local or global communities. Our links with local communities such as The Abbey Fields project and international communities in Ethiopia, Botswana, Peru and India give students the opportunity to work alongside a wide range of people from diverse cultures.

Scan the QR code to find out more about our range of extra-curricular activities and progression support.

## Careers

Our tutors and progression coordinators are available to give you in-depth and ongoing advice about the next steps in your career throughout your two years with us. You'll have a tailored progression schedule and will have the opportunity to attend regular career talks, events and a UCAS fair.

# Interested in applying?

IIC provides a ticket to a world class education. The International Baccalaureate Programmes we run, underpinned by core and specialist programmes that support your future aspirations, open up the world of higher education and careers; future- proofing your professional lives.

If you are interested in hearing more about our IBDP and IBCP programmes, and upcoming progressions events, please scan the QR code and tell us about yourselves!
